**Governor's Youth Commission Invites
Arizona's High School Students to
YOUTH LEADERSHIP DAY!
May 5, 2017**

The Governor's Youth Commission is hosting the 11th Annual Youth Leadership Day on May 5th, at Grand Canyon University in Phoenix! Join us as we bring together high school students from across the state, for an opportunity to attend a variety of leadership development workshops, hear inspirational speakers and network with their peers.

Youth Leadership Day aims to motivate Arizona's youth to recognize their inherent skills and gain the necessary tools to assist them in positively contributing to their communities.

Registration opens in October: www.BeSeenBeHeard.az.gov
